

cloudCheck mobile

LIBRARY SELF-SERVICE IN THE PALM OF YOUR HAND

Increase patron choice and library efficiency with cloudCheck mobile, an intuitive app that allows library users to borrow physical materials and manage accounts using their own device.

From streamlined checkouts to seamless holds and renewals, cloudCheck mobile revolutionizes the library experience for digital natives and traditional patrons alike. Add cloudCheck mobile and allow patrons to choose the checkout experience that meets their needs: selfCheck kiosk, cloudCheck tablet, or their own smartphone.

CONTACTLESS SELF-CHECKOUT

BARCODE, NFC

UNIFIED BACK-END TOOLS

INTUITIVE USER-INTERFACE
