

smartShelf borrow

INTELLIGENT RETURN SHELVING
WITH INTEGRATED CHECKOUT

Perfect for Lucky Day collections, smartShelf borrow combines intelligent return shelving with the power of selfCheck to allow instant recirculation of recently returned items.

Automate returns, increase circulation, and free staff time with an affordable, compact borrow and return solution for libraries of any size. Library users simply place returns on the shelf and technology does the rest - identifying the items, removing them from the user's account, enabling security, and making them immediately available for borrowing through the integrated selfCheck.

COMPACT DESIGN

EXPANDABLE

AUTOMATED RETURNS
+ BORROWING

LARGE SHELVES
ACCOMMODATE UP TO
500 ITEMS
